

The Hutton Club

Friday 11th Nov.

Dr. Doug Mair

Department of Geography – University of Aberdeen

Right - stuff this for a game of soldiers! I'm off to take up a lucrative directorship with the **Hutton Club**... And I'm bloody sure I'm not going to consult the ministerial code of conduct again either...

Do you think there might be space on the board for an extra? It's the opposition - you know - what's his name... lives next door... Gordon! He's getting impatient...

'The challenge of determining changes in the Greenland Ice Sheet'

Come along – discussion will be at 4pm in the Old Library, Geography.
