

The Hutton Club

Friday 25th Nov.

Dr. Sarah Davies

University of Aberystwyth

Last week The Sun 'newspaper' invited me to bear all. I assumed they wanted to hear about my life as the 'Iron Lady' but it turned out they were celebrating 35 years of 'Page 3'. I'm glad I didn't go to the **Hutton Club** instead – the pictures turned out rather well...

' Reconstructing late glacial and Holocene environmental change on South Georgia, sub-Antarctic'

4pm in the Old Library, Geography as ever...
