

Corrigendum

van den Berg, J., Curtis, A. & Trampert, J., 2003. Optimal nonlinear Bayesian experimental design: an application to amplitude versus offset experiments (*Geophys. J. Int.*, **155**, 411–421)

Eq. (14) in van den Berg *et al.* (2003) contains an error. The correct form of the equation should be:

$$Ent(\mathbf{d}|\xi) \approx \frac{1}{M} \sum \frac{-\sigma(\mathbf{d}) \log[\sigma(\mathbf{d})]}{s(\mathbf{d})}.$$
