

AGI conference papers

Listed are all the papers presented at AGI conferences since 1989 and published in the conference proceedings. Copies of individual papers are available at £5.00 or £15 for five, from the AGI Secretariat, 157 Farringdon Road, London EC1R 3AD. Copies of the full proceedings are available for some years and are available at £50. (some years are now out of print.) AGI members can access some of these papers on the AGI member's only side of the AGI web site www.agi.org.uk
